

BRIDAL BOOKING GUIDE & FAQ

RESERVING YOUR DATE

The first step in our booking process is to fill out the bridal contact form via our website or by calling us at (615) 970-0726. Our Bridal Coordinator is available Monday – Friday 9 am -4 pm.

We book several weddings a day and we take them on a first come first serve basis. Many of our brides book us over a year in advance. We encourage you to reserve as soon as possible to ensure you get the timeline you prefer.

Please note that just because you have been communicating with us, doesn't mean we are holding your date. Dates are held after the agreement is signed and we have processed your retainer payment. Give us a call should you wish to expedite the process.

We do not reserve dates without the retainer and signed agreement. The retainer typically pays for your trial run or 50% of your bridal fee. The remaining is due the day of the event.

TRIAL RUNS

An agreement must be signed prior to the trial run.

We encourage you to have your trial 2-6 weeks before the wedding date. You may also purchase an additional trial, should you decide to have one right away and another closer to your date.

Trial runs are scheduled for 1 hour and 15 minutes for hair or makeup. That allows time to try out your look and make edits. Should you go over the allotted time you will need to schedule and pay for another trial run. We recommend communicating to your artist any tweaks/changes you'd like during your first trial run to avoid having a second trial. We want all of our brides to be confident and love their look.

Should you decide you would like another trial run to test out a different look, you will be responsible for paying for another trial at the rate of \$125 for hair and \$125 for makeup.

We suggest bringing accessories, veil, and hair extensions to your trial run. We offer a variety of hair accessories to try and purchase at your trial run.

SERVICE MINIMUMS & TRAVEL

Our team has a service minimum of \$550 for on-location services. On-location services are available if you do not meet our minimum but fees will apply.

Travel is complimentary if your location is within a 30 mile radius of One10 Beauty House located at 703 Craighead Street Nashville, TN. 37204. Please inquire about pricing if you are outside of our travel radius.

ADDING/SUBTRACTING SERVICES

Any additional service additions/subtractions need to be made 45 days prior to the wedding. Should you subtract services from the agreement, please note that there might not be room to add them later should someone change their mind. New services will be added to the contract based on current availability. All services agreed upon may not be changed to a lesser amount within the 45 days prior to the wedding.

LASHES & HAIR EXTENSIONS

Our artists come equipped with lashes should patrons choose to add the service for \$15.

Clip-in hair extensions may be brought and added to your service, the cost is \$50 per standard single-pack application. Please send us an inquiry if you would like more information on purchasing extensions, and we will schedule a consultation for a complimentary color match.

Payments for lashes and extensions should be made directly to the artist with cash or Venmo. Bridal lashes and extension application is included in our bridal pricing.

SERVICE TIMELINES

We typically do not schedule service times longer than 5 hours. Should you have several services we provide more artists as opposed to more time. We will dictate how long it will take based on the number of services and artists we deem necessary to ensure a smooth schedule and that everything runs perfectly.

Pro Tip! Have your entire bridal party there at the start of services to prevent us from running behind. Each service takes around 40/45 mins for attendants and around 1 hour for brides. Structured timelines for each attendant tend to make us run behind because the bridal party is rarely ready to sit in the chair at their start time.
